

Learn more about J.U.L.I.E

Julie 811 is a company that is contacted to locate all underground utilities. Our team of skilled laborers ensure that the utilities are exposed in the designed pathway to avoid any accidental damage.

WE PRIORITIZE SAFETY BY HAVING OUR TEAM PRACTICE THE 5 STEPS TO SAFER DIGGING!

1. Pre-mark the proposed dig area
2. Call or click before you dig
3. Wait the required amount of time (2 business days)
4. Respect the marks
5. Dig with care

BE ABLE TO IDENTIFY COLORS CODES OF FLAGS AND MARKING:

RED FLAG	Electric
YELLOW FLAG	Gas, oil or petroleum
ORANGE FLAG	Communications
BLUE FLAG	Potable water
PURPLE FLAG	Reclaimed water, irrigation
GREEN FLAG	Sewer
WHITE FLAG	Proposed excavation
PINK FLAG	Temporary survey

If planning to dig in the ground (gardening, landscaping, fences, etc.) more than a foot please go to the following:
